

## ITEMS FOR SALE AND WANTED; OFFERS OF SERVICE

Advertisers are asked to keep an eye on their advertisements in subsequent issues of the Globe, and **to inform the editor when items are no longer for sale, or no longer sought.** Email [editor@trocltd.com](mailto:editor@trocltd.com).

*Please Note that there is a similarly-named company, selling Roadster and other spares. To avoid error, please use the contact phone and email details shown in this magazine.*

*TROC offers no guarantee of the bona fides of any advertiser. Members transacting business with any member or non-member do so entirely at their own risk and are recommended to take all normal precautions when doing so. You are strongly recommended to ascertain the suitability of parts or cars to your requirements.*

In the last Globe we reported at length on a dilapidated Razoredge for sale in France, in very poor condition; I'm delighted to say that it found a buyer. Slightly more frustrating is that we don't know who it was, and we have not yet heard from anyone in France, so this hitherto-unknown car has disappeared back into the unknown. We did ask the seller to pass our details to the purchaser, so there's hope.

**FOR SALE:** four Avon Speedrunner cross-ply tyres, only lightly worn; and a front bumper for TDB/TDC, would do for everyday use or as a good base for re-chroming. Contact Lloyd Evans on 01388 710 394.

Stuart Walker has two cars for sale in Aberdeen: a dark maroon TDB and a part-dismantled car.

Of this one, we are told: "A panel-beater worked on this car for 2 years, then got ill. The body is sound, the repainted wings are excellent, as is the bonnet. Doors are perfect and so was the boot, until it got bumped, pushing it back into the shed, where it has been, for the last 5 years. There are no documents with it, which doesn't matter if used for parts. The chassis is good."

Stuart can be reached through the Triumph Restoration Group page on Facebook; or if you do not have access to that, contact the Editor.

In Kentucky, USA, Dale Torok has a TDA from which he's intending to create a hot-rod. He is using the bodywork and some of the interior, and is offering the **chassis, engine (but that's not a Standard 2088cc!) and running gear.** Again, Dale can be contacted on the Facebook page, or via the Editor.

**FOR SALE: KEW 435 TDB 5789 DL, 1951.** "The car looks remarkably solid. I've been told it was running a couple of years ago. Obviously it's a restoration project but being a one-owner car since the 60s it's got to be worth doing. I've been told it's all complete minus a headlight and side light that seems to have gone missing. The car is in Orpington Kent, off junction 4 of the M25. Asking £2,600. If you have any questions, call me on 07960 250 336, Mark."

**WANTED**, for my TDB breakdown truck - the ironwork which attaches a tow-hitch to the chassis; trade plates (not to be used on the road); a warning triangle, using reflectors.

### **NEW REDISCOVERY: UPC 691, TDC 1960 DL**

<https://www.carandclassic.co.uk/car/C979886>

We saw this car advertised on the internet in CarAndClassic.com, and enquired for information from the seller.

“Hi Roger,  
Sorry for the late reply. We bought the car 10 years ago from a gentleman in England who was a member of the Triumph Razor Edge Owners' Club Ltd - his membership number was 868. The commission number is TD1960 DL. The documentation from its original log book shows

the colour to be Jade/Red. The mileage is recorded on its English MOT Certificates. We did not restore it - it came in that condition. Let me know if you need any more information. Thanks, Breidge Henderson.”

Member 868 was the late Geoffrey Shenton, of Mow Cop, near Stoke on Trent; the registration number and TDC number confirm. He joined TROC in April 1999, and the car was sold to Ireland in about 2008. Our member Alan Bromley knew him and has driven the car; it has had a replacement engine and new steering box in the time when he knew it. The alleged mileage (only 6,512 miles) probably dates from the rebuild of the engine. There is also some confusion about the colour – that’s definitely not Jade! However, if the car is as good as it looks here, the asking price of £11,500 might arouse some interest.

**NEW FIND:** Peter Smith is selling a 1952 Renown TDC 418, registration MXM 977 (London County Council, July 1952) which is currently garaged in Southend-on-Sea, Essex. This car is remarkable in that it had one owner from new, a gentleman named Adrian Reynolds, who sadly passed away a month or so ago. Peter is arranging the sale of the car for his widow. **The car has been laid up in store for 43 years**, and is believed to be complete and dry. There is also a spare gearbox. (Peter is also selling a 1962 Ford Fairlane with 15,000 miles on the clock, laid up at the same time.) Peter can be reached on 01268 776 258. They are provisionally asking for £1,250.

**ANOTHER NEW FIND:** Simon Smith has a complete car, PPB 934, TDB 3607 DL (1951) and a shed-load of

rather rusty parts and various manuals and booklets – probably everything Renown-related ever printed. This comes from the disposal of a relative's estate, and this was a person who never threw *anything* away – so a lot of it is past rescue or worthless, but there may well be hidden treasure; and the car itself is definitely to be rescued as a project. Simon would like to clear the whole collection in one lot. The collection is stored near Tonbridge, Kent; to arrange a viewing contact Simon.

A set of pictures of the parts and the car:

**RESCUED FROM THE SCRAPYARD:** John Watkins, a motor trader, has TDA 270 DL, registration HCE 470, an early 1949 2000 Saloon, which has been in storage since the 1990s. The car is complete, but the weather has been less kind to it on one side. The TDA is the rarest of our four models – apart from the Limousines of course. The car was sold to a scrap man from Moccas near Hay on Wye; thence to motor trader John Watkins (with an MG, already resold) in Hereford area. This must be the one the Club was offered a year or more ago – we could not move fast enough. 01432 277 642. The interior is a mess but restorable.

**FOR SALE** – the fifth-oldest known Razoredge, TD 919 DL, registration GHP 909, first registered June 1947. This car is described as complete, original and untouched, and has been stored dry for thirty or forty years. Believed to have had only one owner; full documentation believed to be available. See the article on page 62 of the August 2017 edition of the *Globe*; more photographs have been supplied and are available from the Editor on request. Offers in the region of £6,000 are invited. Contact Seamus Nugent, in Newry, Co Down, Northern Ireland: phone 0035 3876 879 053 or 02830 868 493.

**Also FOR SALE** in Ireland, Mike O'Connor of Tralee is selling **TDB 4598 DL**, seen on the left, which is a maroon car, looking solid and complete, asking £3,250. This can be seen on the Facebook Renown Restoration Group page.
